

NTEU Chapter 14 Proudly Honors Federal Employees For
LABOR RECOGNITION WEEK

Zoom Virtual Celebration

Saint Louis Federal Employees, please join us for this year's Labor Recognition! For almost a century, NTEU members give us the power and clout to secure meaningful workplace gains and block threats to your retirement and paycheck. These successes would not have been possible without large numbers of federal employees coming together for a single purpose: to improve the federal workplace. We will be updating you and taking your questions on the latest news including, the New Contract, expanded telework, the federal budget and vaccine requirements. You will be receiving Administrative Time to attend (Per Art. 8 Sec. 3). These are busy, stressful times, but we hope you'll take a break to join us for a much-deserved celebration.
