

The Defense 14

The Fight Continues...Are You In?

June 2015—Volume 8

SPECIAL EDITION Labor Recognition Celebration!

Chapter 14 would like to extend our deepest thanks to all of our members that participated in our Labor Recognition Celebration! Every year we strive to exceed your expectations of us, and give you the best celebration we possible can.

We truly do appreciate your membership. Without each and every one of you, we would not have the voice we need to protect you. We would not have the power to convince our elected leaders in the Senate and House that we truly matter. Without you we would be nothing but a whisper in the wind.

Thank you for all you do, your membership, your time in volunteering, and your voice in helping us contact our congressional leaders on matters that matter to you! Please click [HERE](#) to see more pictures from our Celebration!

WE APPRECIATE YOU!
